Hi Again,

Would it be okay if I include Paul Jones and/or Rob Leidy from EPA (if Paul is not available). Paul helped you all design the mapping method and I think he would be a valuable addition to the discussion?

Hello-

We would like to meet with you to review the wetlands mapped in the BDCP conveyance planning area. We will also compare the BDCP mapping with the Delta Wetlands delineation provided by the ACOE. Please use the "Doodle Poll" link below to let me know your availability for a meeting.
